

PIONEER CABIN COMPANY

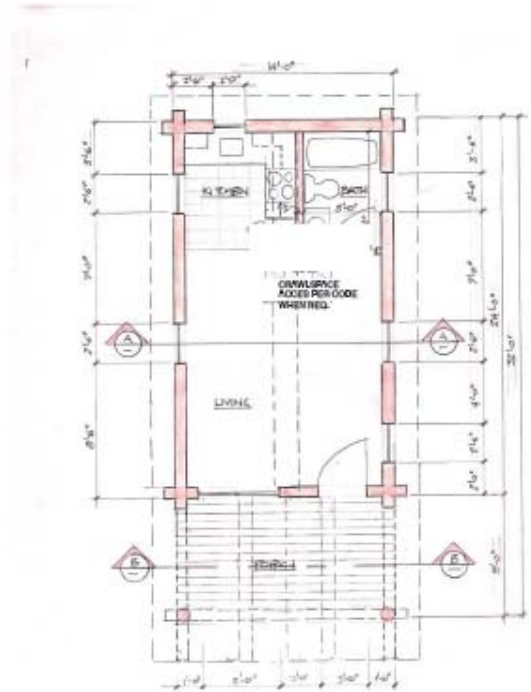

ARCHITECTURALLY AUTHENTIC LODGING.

The Line Shack Model

QUICK FACTS:

Size	16'x24' or 14'x24' options.
Fully engineered	Wind, Snow, Seismic for 43 States
Classification	Modular, Residential
Starting Price	\$70,000

PLANS: Available for Sale

DESCRIPTION:

The Line Shack Model is crafted from standing dead timber, and logs are prepared for D- log construction. This style showcases the round, bark-on look from the exterior, yet utilizes flat rough sawn interiors. These cabins feature a pur-lin roof with gable porch and door.
