

# PIONEER CABIN COMPANY

ARCHITECTURALLY AUTHENTIC LODGING.

## The Big Lost Cabin

### QUICK FACTS:

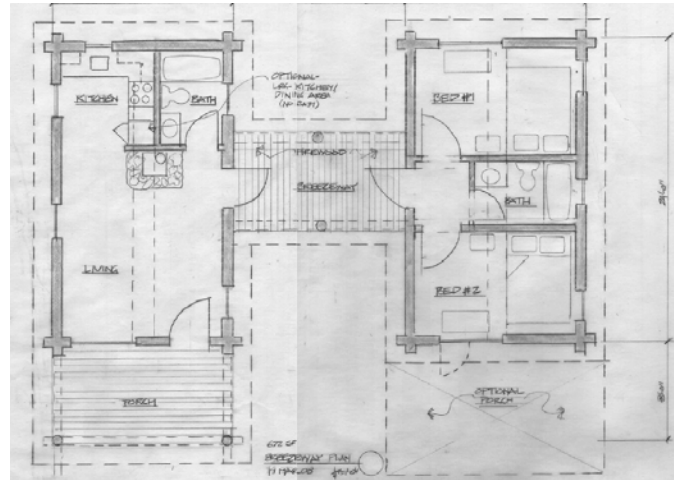

Size	TBD
Engineering	Wind: , Snow: , Seismic:
Classification	Residential
Starting Price	\$TBD

### DESCRIPTION:

The Big Lost is hand crafted using full round log, either peeled or bark on, standing dead timber. Any of our cabin models can be combined to create your own custom Big Lost home. Floors, ceilings, doors, and trim all use reclaimed barn wood. These models are fully insulated with SIPs roof and insulated floors. This is an architecturally authentic hand made log cabin, built as environmentally conscious as construction allows.
