

PIONEER CABIN COMPANY

ARCHITECTURALLY AUTHENTIC LODGING.

The Silver Creek Cabin

QUICK FACTS:

Size	TBD
Fully engineered	Wind: , Snow: , Seismic:
Classification	Residential
Starting Price	\$TBD

DESCRIPTION:

The Silver Creek is hand crafted using full round log, either peeled or bark on, standing dead timber. Any of our cabin models can be combined to create your own custom Silver Creek home. Floors, ceilings, doors, and trim all use reclaimed barn wood. These models are fully insulated with SIPs roof and insulated floors. This is an architecturally authentic hand made log cabin, built as environmentally conscious as construction allows.
